

Ahmad Zafar

JavaScript | React

A strong passion for front-end development and a solid understanding of React.js and JavaScript. Eager to kick-start a career as a Junior React/JavaScript Developer and contribute to innovative projects while gaining hands-on experience. Possesses a growth mindset, excellent problem-solving abilities, and a commitment to continuous learning.

Experience

CodeSoft Oct 2023 – Nov 2023
Remote Internship

During my recent remote internship, I successfully completed two projects, one utilizing React and the other Node.js. These experiences enhanced my proficiency in both front-end and back-end development, while also fostering a dynamic learning environment where I acquired new skills and methodologies.
